Dear George - The sun  
is shining bright this  
morning after all the  
dull & rainy day.

My fire boat trailer  
ride to Pittsfield was  
rather boring - but Mary  
& other in - land met me -

~~which~~ which are your bags, it  
was wonderful as no porters  
were available. A comfortable  
night at Mary's. The ride  
is here on Saturday. Hope  
it's your last good time.

With love & devotion to the  
lovely church - the  
birthday a nice surprise  
I thank you a lot  
for the lovely photo
